MESSAGE FROM THE FOUNDATION

Could there be a better reason to load up the golf clubs and head for a beautiful day of golf than knowing that you are helping aspiring health care professionals pursue their dreams of a health career? Your participation in the Daviness Community Hospital Foundation's 24th Annual Golf Benefit for Health Career Scholarships will do just that!

Come out and speak with some of our scholarship recipients who are giving back by helping us with the golf benefit. Find out how your support of this program has contributed to their success.

One hundred forty two students have received over \$163, 150 in scholarship awards from the proceeds of our annual golf benefit. These are students from our community pursuing health care degrees in fields of study identified as fulfilling a need in our community.

Your support is critical to the Daviness Community Hospital Foundation in continuing this valuable program.
