The Daviness Community Hospital Foundation is thrilled to announce our inaugural pickleball tournament in honor of the late Dr. Suresh Lohano, a beloved physician and passionate pickleball enthusiast.

This event is open to players of all skill levels, ages 8 and older. Participants can compete in singles, doubles and mixed divisions, with winners recognized in each skill level. Whether you're new to the game or a seasoned player, we invite you to celebrate Dr. Lohano's dedication to wellness and join in the excitement.

Proceeds will support the DCH Foundation's ongoing mission to enhance healthcare services in our community. For more information, contact Daviness Community Hospital Foundation Director Angie Steiner at (812) 254-8858.
