September is Suicide Prevention Month.

At Daviness Community Hospital, we invite you to walk with us—to honor those we've lost, support one another, and spread hope throughout our community. This memorial walk isn't about speed or competition—it's a gentle, welcoming space where we can reflect, heal, and lift each other up.

Event highlights:

- Free to participate—everyone is welcome!
- \$25 registration includes a commemorative t-shirt. Register by 4 p.m. September 12!
- Light up the evening with free glow sticks
- Connect with local businesses, groups & organizations at our vendor fair
- Share in powerful moments of remembrance

Event proceeds benefit the Daviness Community Hospital Foundation and help provide mental health care for those in need.
