Emergencies can happen anytime, anywhere—are you prepared to respond?

Daviness Community Hospital is offering the American Heart Association (AHA) Heartsaver® CPR & AED Course to equip community rescuers with the essential skills needed to provide lifesaving care.

4-6 p.m. • \$50/person**Daviness Community Hospital • 1314 East Walnut, Washington**

This course is ideal for:

This course is designed for individuals outside of the healthcare field who want to be prepared to administer CPR and use an AED in emergency situations, including:

- Teachers & school staff
- Daycare providers
- Firefighters & police officers
- Coaches & athletic trainers
- Workplace safety officers
- Community members who want to learn CPR and how to use an AED
