

*All babies born at Daviess
Community Hospital,
no matter what the
birthdate, are invited
to become part of
the Hospital's
history forever.
Through this
special recognition
program, we
celebrate
the beginning
of new life.*

**Cradle
Crowd**

The moment a child is born, they place a “footprint” that lasts forever on your heart...

You have eagerly planned for the arrival of your newborn - tending to each tiny detail - to ensure a happy and healthy future for your baby. Just as you have planned for the details of your baby's future, Daviess Community Hospital has planned for yours - and we continue to plan for future generations. From preparing for pregnancy through labor and delivery, to taking your new baby home, Daviess Community Hospital provides comprehensive maternity health care.

The Women's Health Center at Daviess Community Hospital offers educational classes for mothers to be, support groups for mothers who are breast feeding, and private birth rooms with state-of-the-art medical equipment and technology just to name a few. With contributions from our patients, their families and community members, we can provide services that go above and beyond.

It's not just our facilities that make our Women's Health Center so special. The Center's physicians and nursing staff are compassionate, highly-skilled caregivers that work to give moms and newborns the best care available.

As you celebrate this special occasion, you too can leave footprints that will benefit families in the future. Through the Cradle Crowd Program you can recognize a special person - your newborn - while providing support for advanced technology, life saving equipment, and a wide range of support services and programs for families and their newborns at Daviess Community Hospital.

Give a lasting tribute in honor of the little one who has left a “footprint” on your heart!

Acknowledging a New Life

The Cradle Crowd program is a unique opportunity that enables families and friends to publicly celebrate a new birth, while giving the gift of enhanced health care to babies and their families for years to come. Your donation provides a special recognition to a very special person. Over the years, children and adults may return to Daviess Community Hospital to find a personal piece of their history still remaining on the Cradle Crowd display.

All donations help support Daviess Community Hospital, providing for equipment, facilities, new technology, and programs.

For a gift of \$100 or greater, the Daviess Community Hospital Foundation will place a beautiful medallion on the Cradle Crowd display, located on the 2nd floor. The medallion is engraved with the baby's footprint along with the name and birth date. Families will also receive a glass-etched Christmas ornament with the baby's footprint along with the name and birth date. These wonderful holiday treasures provide a lifetime of enjoyment.

Yes, I/we want to support the Daviess Community Hospital Foundation. Enclosed is my gift of \$_____.

For your contribution of \$100 or more, you will receive:

- 2-3/4” medallion with the baby's footprint, name and birthdate which will be placed on the DCH Cradle Crowd display.
- 1 glass christmas ornament with baby's footprint, name and birthday which is yours to keep.

Name _____

Sex: Male Female

Date of Birth _____

Parent(s) Name(s) _____
