

We invite every  
baby born at  
Daviness Community  
Hospital to become  
part of the Hospital's  
history forever on our  
Footprints to the Future.

Isn't it amazing how  
ten little fingers and  
ten perfect toes fill  
our hearts with love  
that overflows?

Footprints to the Future

Through this special  
recognition program,  
together we celebrate the  
beginning of new lives  
and bright futures in  
a meaningful way.

## Celebrate A New Life.

Our Footprints to the Future program is a unique opportunity that enables families and friends to publicly celebrate a new birth while giving the gift of high quality healthcare to newborns and

their families for years to come. Your generosity allows you to recognize the joy that comes with each wonderful new addition to our world.

When the child, parents or grandparents return to Daviess Community Hospital they will always

have this special place to come to and reflect back on that special day.

By supporting us, you are helping Daviess Community Hospital Women's Health Center to continue investing in new technology, life-saving equipment, center upgrades and our various women's programs, support services and community education initiatives. For each gift of \$100 or more, the Daviess Community Hospital Foundation will place a beautiful medallion engraved with the baby's name, birthdate and footprint on the display near the Women's Health Center.

## Create a Lasting Reminder.

Just as everyone plans excitedly for their new arrival, we do the same here when it comes to caring for newborns, our community and the generations to come.

Daviess Community Hospital provides compassionate and comprehensive maternity care from helping parents prepare for labor and delivery to taking their new baby home.

Our Women's Health Center offers educational classes for mothers and fathers to be and support groups for mothers who are breastfeeding. Our private labor/delivery and recovery rooms with state-of-the-art medical equipment and technology are possible, in part, through contributions from our patients, their families and community members like you.

## Yes, I/we want to support the Daviess Community Hospital Foundation.

Enclosed is my gift in the amount  
of \$ \_\_\_\_\_

For a contribution of \$100 or more, we will place a 2<sup>3</sup>/<sub>4</sub>" medallion with the newborn's footprint, name and birthdate on the DCH Footprints to the Future display.

Plaque information:

Name \_\_\_\_\_
